Miso Cute Cooking Course agrees offer cooking classes in exchange for payment by the client according to the following terms and conditions:

Safety: Culinary classes and birthdays at Miso Cute Cooking Course are hands-on and require students to cooking equipment and utensils in the kitchen. We are dedicated to taking every precaution possible to avoid accidents in the kitchen. Students are supervised at all times and will be given age-appropriate tasks. Parents should be aware, however, that participation involves using knives and other sharp utensils, and that children will be working with and in close proximity to large kitchen equipment and hot items. Classes may also involve handling of raw food items. By signing this form, the parent/guardian releases Miso Cute Cooking Course, the owner, and employees from all liability for injuries and/or damages incurred in connection with attendance in a cooking class.

Attire: Class participants are required to wear closed toe shoes. It is recommended that shoes also be rubber-soled and/or non-slip. Long hair should be tied back. No loose jewellery, dangling earrings, bracelets or necklaces should be worn. **Sanitation:** Proper hand washing with warm water and soap is required after using the bathroom, sneezing, coughing or handling raw food products. Hand washing is the single most important activity that can be done to prevent most food- borne illnesses.

Scheduling: Miso Cute Cooking Course reserves the right to cancel birthdays or classes and provide a full refund when birthday party or class minimums are not met.

Allergies and Dietary Restrictions: It is the parent/guardian's responsibility to inform Miso Cute Cooking Course of any allergies or dietary restrictions their child(ren) has. This information should be written on the first page of this packet.

Payment and Cancellations: Payment is due in full at the time of service. Food costs, recipes, and culinary instruction are included in tuition. Reservations are taken on a first come, first serve basis. When given sufficient notice, classes can be rescheduled with no penalty.

Photo, Video or other Recording Consent: By signing this form the parent/guardian gives consent for Miso Cute Cooking Course to take and display or otherwise use photos or video of their child in printed materials or on the web for the purpose of promoting Miso Cute Cooking Course. Please indicate to us if you do not wish to have your child photographed or videotaped.

Medical Consent: By signing this form the parent/guardian gives permission for medical treatment to be administered to their child by a qualified medical professional in the event of an emergency. Every effort will be made to contact the parent or emergency contact, but in the event that no one can be reached the signer authorises the staff at Miso Cute Cooking Course to act on behalf of and in the best interest of the child.

I have read the above communication and I understand the type of program in which my child enrolled. I will stress the safety aspects of the program and encourage him or her to participate fully in this program.

Without returning this signed form, your child will not be able to participate in cooking courses.
